Attention Parents

As we work diligently to create a safe space to integrate our children back to church every Sunday, we still seek parents' help to make this possible. We will **have** to have more leaders in these classrooms for this to be sustainable. There is no previous teaching experience required and you will be given all materials needed to run the class, and a teen helper will be made available. A background check is required for anyone working with the children. **If you will have children participating in the classrooms, you are asked to please volunteer.** Pre-registration is required; If your child(ren) will be attending, please see Crystal after service today for the registration paperwork.

You are warmly invited to join us here this evening from 6-7pm. Led by Pastor Lee, we will join together as a church family and pray for the candidates in the upcoming election.

We are going to be focusing on the next phases of our renovation (children's worship center & café). We are still in need of someone with construction experience to help us develop a plan, line up contractors, etc... If this is your area of expertise and you would like to help, please see Pastor Lee or anyone on the leadership team.
